

SPORT BLACK

► All style. All sport. All black. Meet the Ibiza Sport Black - and get ready to turn heads. Our latest addition to the slick Ibiza 5DR range is a designer car that's sure to get you rewed up.

The Ibiza Sport Black defines the SEAT design aesthetic. Finished with eye-catching Black Magic metallic paint, this sleek new Ibiza is fitted with exclusive extras. Think jaw-dropping body styling kit, 17" alloy wheels, and dark tinted windows.

With a SEAT Sport model you get an interior that demands attention. Smooth leather finishes on the steering wheel and gearknob meet ergonomically crafted sports seats, designed with equal parts design and comfort in mind. There's also sports suspension, ABS, air conditioning plus an MP3 compatible CD player with AUX-in, 6 speakers and steering column-mounted audio controls for your soundtrack to a great drive!

Here's a machine that's a 'must-have' for the style-conscious driver, which is why there's only a limited number available. Get in there fast and take it for a spin. You won't look back.

A slick body styling kit and dark tinted windows – it's the full package.

The 17" alloy wheels and sports suspension will leave you begging for a test drive.
